

## **Process of Opening an Offline Trading and Demat Account with Reliance Securities Limited**

### **Downloading the Form:**

The customer downloads the account opening form from the Reliance Smart Money website ([www.reliancesmartmoney.com](http://www.reliancesmartmoney.com)).

### **Form Submission:**

The customer fills out the form, attaches the required supporting documents, and submits them at the nearest Reliance Securities branch.

### **Branch Verification:**

The branch verifies the submitted form and supporting documents, conducts In-Person Verification (IPV) and Original Seen and Verified (OSV) checks.

### **Sending to Head Office:**

After verification, the branch forwards the complete account opening form and documents to the Head Office at Goregaon East.

### **Scrutiny and Account Opening:**

The Account Opening team at Head Office scrutinizes the application and documents. Upon successful verification, the trading and demat account is opened.

### **Welcome Kit Dispatch:**

A welcome kit containing account details and necessary information is dispatched to the customer after the account is successfully opened.
